

Have you considered becoming a vet?

INTRODUCING THE IVC EVIDENSIA BAME SCHOLARSHIP SCHEME

IVC Evidensia is Europe's largest veterinary group operating across 12 countries with over 900 clinics in the UK alone.

We believe that our teams should reflect the communities that we work in, so our goal is to increase Black, Asian and Minority Ethnic (BAME) representation in the veterinary profession.

This is why we have launched our BAME Scholarship Scheme. This commitment will be focused on investing in and supporting people from BAME backgrounds to start their career as a veterinary professional.

Our Scholarship programme is part of our wider commitment to supporting ethnic diversity across the veterinary profession and within our business.

If you have a passion for animal well-being, are from a BAME background and are interested in becoming a vet you could be eligible for the scheme.

WHAT'S IN IT FOR ME?

- Financial assistance throughout your studies
- Mentoring from our BAME Veterinary Board
- Opportunities for placements
- An opportunity to apply to our industry-leading graduate entry programme

David Charles
CertHE(Biol.) BVSc MRCVS

David Charles and Sayaka Okushima explain why the BAME Scholarship Scheme is so important to our profession.

Did you know...

18% of the UK population are BAME yet BAME vet graduates make up less than 4% of veterinary surgeons.

We need to level that up!
