---

Saturday 27th November 2021

9am to 3.30pm

**BWAMS**

Birmingham Widening Access to Medical Sciences

<https://forms.office.com/r/gi5shdBqYT>

# What can you expect?

The day will consist of inspiring talks, workshops and panels made up of doctors and medical students from across the country.

## Stories from the Frontline

An opportunity to hear from leading doctors about their experiences working on the NHS frontlines.

## Work Experience

Immerse yourself in the breakdown of interesting cases observed by doctors and medical students- almost like a virtual work experience!

## Day in the Life

Learn all about the typical working day as a medical student & doctor in the NHS!

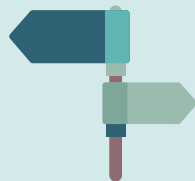

## Life Beyond Medicine

A career in medicine can be both exciting and diverse. Listen to our panel of doctors who have gone above and beyond to pursue their interests!

## Journey into Medicine

Be inspired by the medical students & doctors from all walks of life, who look forward to sharing their unique journey into Medicine with you.

## Medical Students Q&A

We will have some incredible medical students studying all over the country to answer all of your budding questions about work experience, interview advice and life as a medical student.

## Mental Health & Medicine

An important talk all aspiring medical students should listen to. Delivered by doctors who have learnt incredible lessons: medicine is not just about the glitz and glam.

## Representation in Medicine

The workforce of doctors should be representative of the populations they serve. Our diverse panel of medical students and doctors will share their experiences in medicine!
