A good level of education, preferably to degree standard is advantageous, or a track record of working with young people in educational or sporting settings. A full induction/training and support programme is provided. This post would be particularly suitable for a recent graduate or someone wishing to gain experience prior to training as a teacher.

Verulam School is a high achieving boys' school with a mixed Sixth Form, which forms part of the highly successful BeauSandVer consortium. As a school, our core values of "**Excellence, Character, Respect**" permeate all that we do. We are located in St Albans, a beautiful and vibrant Cathedral city with a lively cultural life and a huge variety of restaurants, bars, pubs and shops. Recently named in the Sunday Times as the best place in the southeast to live, St Albans is surrounded by beautiful countryside but is still only 20 minutes from London by train and with easy access to motorways and airports.

The school has good GCSE and A Level results and achieved an above average Progress 8 score of +0.22 in 2019. (Last national data set). It was judged to be a Good school in all categories by Ofsted in October 2018.

We work together within the Trust to share best practice, deliver joint training, promote the highest of expectations and raise achievement for all students.
