

## Homework at Verulam 2022/3

### **Homework is set weekly on Google Classroom as an 'assignment'**

- Due dates and resources will be outlined on Google Classroom.
- Google Guardian email summaries for parents: you will receive weekly email digests allowing you to see homework tasks your child has been set by subject teachers via Google Classroom.

### **Google Guardian email summaries include the following:**

- Missing work— Work that is late at the time the email was sent
- Upcoming work — Work that is due today and tomorrow (for daily emails) or work that's due in the upcoming week (for weekly emails)
- Class activity — Announcements, assignments, and questions recently posted by teachers

### **Google Guardian set up:**

- It is important to recognise that you will not be able to access or login to Google Classroom. The Guardian Summaries simply come as an automated email containing all of the information you need to support your child at home.
- In order to receive daily updates, you will need a Google account in order to change your settings. Please either sign in with a Google account if you have one or create a new google account.

### **Homework Frequency**

This will vary from subject to subject and it is expected that each department will develop their own guidance here:
