

VERULAM SCHOOL

SPOTLIGHT ON:

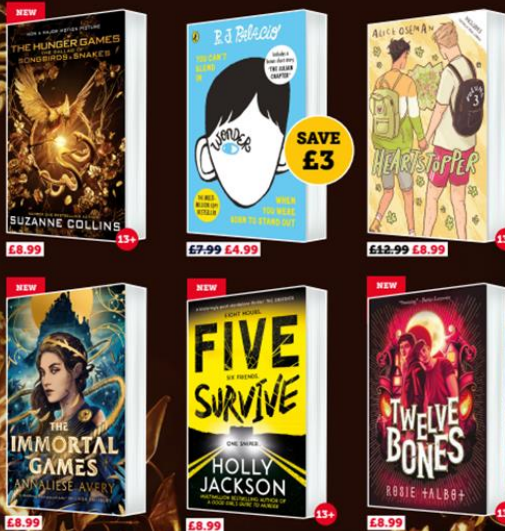

13/10/2023 - Reading

It is a very exciting time for reading at Verulam with the Scholastic book fair coming back to the library during 16-20th October. This is a brilliant opportunity for students to find new books to inspire them and buy them cheaper than they will find them in book shops. There is also a wonderful competition running for students to write a book review of the 'Best Book Read this Year' or a poem about 'The Joy of Book Fair' to win extra spending money at the fair. Parents can scan the QR code and see or order the books that will be available.

Library lessons and engagement with Accelerated Reader continue to be a staple part of reading and your son's English lessons. Students are fully encouraged to read widely and read often so they can complete their AR quizzes and score points.

We thoroughly recommend the 'Reading Challenges' which provide a chance to explore titles linked by theme or genre. These Reading Challenges are found not only in the library, but also on the dedicated Reading Google Classroom (code: 33Kmtbc). We also have reading lists and subject specific reading lists found on this classroom too.

We have the amazing Verulam Library app, form time reading programme, and the wonderful Year 7 and 8 book club that meets Tuesday lunchtimes in room 4 for reading, discussing and reviewing books.
